Warriors Community Foundation

Community Activator JD

(Part-Time – approx. 20 hours per week)

About the role

We are looking for a dynamic, energetic and highly organised Community Activator to join the Warriors Community Foundation – the official community and charitable arm of the One NZ Warriors. This role is hands-on, people-focused, and perfect for someone who enjoys working with tamariki, rangatahi, and communities across Aotearoa.

You will help deliver fun, engaging and meaningful community activations and wellbeing programmes that support physical and mental wellbeing outcomes.

Key responsibilities

- Deliver community activations, school visits, and wellbeing programmes across Auckland and wider regions
- Engage positively with tamariki, rangatahi, schools, and community groups
- Support the delivery of programmes such as Prepare to Perform and other Foundation initiatives
- Assist with event setup, delivery, and pack-down
- Represent the Foundation and the One NZ Warriors brand in a professional and positive way
- Work collaboratively with the wider Foundation team and partners
- This is an active role

About you

- Energetic, positive, and enjoys working with young people
- Strong communicator with the ability to connect with diverse communities
- Highly organised and reliable
- Able to think on your feet and adapt in fast-paced environments

- Full NZ driver's licence (essential)
- Comfortable travelling for programme delivery
- Experience in sport, education, youth work, or community engagement is a bonus

What we offer

- A fun, purpose-driven role making a real impact in communities
- Opportunity to work with the One NZ Warriors community arm
- Flexible hours (approx. 20 hours per week, with potential for more for the right person)
- A supportive and passionate team environment
