Community Activator Job Description

Warriors Community Foundation

Full time | Auckland

Reports to: Community Manager/CEO Weekly hours: 40 with some weekend work included in season.

About Warriors Community Foundation

Warriors Community Foundation is the official charitable partner of the One NZ Warriors. We deliver programmes that connect, educate and inspire communities across Aotearoa, supporting the physical and mental wellbeing of tamariki, rangatahi and whānau.

Purpose of the role

Deliver engaging programmes that help young people build confidence, connection and wellbeing through sport and the mana of the One NZ Warriors. Bring energy, care and organisation to school sessions, community events and the preparation and administration that make quality delivery possible.

Key responsibilities

Programme delivery

Spend approximately three days each week delivering programmes in schools, with the remaining time supporting preparation, administration and community activities.

Lead engaging activities and adapt sessions to different ages, abilities and backgrounds so participants feel welcome and able to take part.

Prepare session plans, equipment and resources, and support programme and festival planning with the team.

Encourage participation, teamwork and positive behaviour, and model respectful relationships.

Administration

Complete accurate attendance records, delivery logs, participant feedback and other programme administration on time.

Help organise schedules and communicate delivery arrangements with schools and the team.

Relationships and community events

Build positive relationships with students, school staff, whānau and community partners.

Support community events and activations, including weekend work as required.

Travel to programme and event locations and represent the Foundation professionally.
